**APPOINTMENT AND DUTIES OF INVESTMENT MANAGER**

1. The undersigned (the "Client") hereby appoints Hymas Investment Management Inc. (the "Company") to provide discretionary portfolio management for the managed account of the Client established hereunder (the "Managed Account"). The Company is authorized to make and implement investment decisions for the Managed Account as the Company in its discretion deems necessary or desirable from time to time.
2. In carrying out its duties and responsibilities under this Agreement, the Company acknowledges that it will exercise such diligence, competence and skill as may reasonably be expected of a reputable, experienced and competent professional investment manager and that it shall act fairly, honestly and in good faith and in accordance with the Client's best interests (the "Standard of Care").
3. Without limiting the foregoing grant of absolute discretion, the Company, in exercising the powers hereby granted to it, shall act in accordance with the investment objectives of the Client which are communicated to the Company in writing from time to time. The Client confirms that its current investment objectives are set out in Schedule A hereto.
4. The Client may from time to time amend his/her objectives by giving the Company notice in writing of the amendment required and receiving acknowledgement of such advice from the Company. The Company shall not be in any way responsible for decisions made in the absence of such written advice. The Client agrees to advise the Company of any restrictions that may be applicable to investment for the Managed Account. Although the Company will diligently pursue the investment objectives of the Client, the Client acknowledges that those objectives are only guidelines and that the Company does not guarantee investment results and shall not be liable for any error of judgment or any other act or omission or loss sustained in the operation of the Managed Account or for any depreciation in the value of the Managed Account, absent a breach of the Standard of Care.
5. The Company shall endeavour to allocate securities among its managed accounts on the basis of suitability for such managed account and to allocate such securities fairly among such managed accounts in conformity with the Company's Fairness Policy. The Client acknowledges receipt of such Fairness Policy.

**POOLED FUND**

6. The Client authorizes \_\_\_\_\_ \does not authorize\ \_\_\_\_\_ the Company to invest all or any portion of the assets composing the Managed Account in the following pooled fund managed by the Company (the "Fund") to the extent an investment in the Fund conforms to the Client's aforementioned investment objectives.

If authorizing the Company to invest in the Fund, the Client acknowledges that:

- (a) he/she/it has read the Statement of Policies of the Company concerning related and connected issuer disclosure and acknowledges receipt of a copy of this Statement of Policies;
- (b) he, she or it has read the risk disclosure relating to the Fund set out in Schedule B;
- (c) the Company and its associates may receive fees for management, investment advisory and related services in connection with the operation of the Fund;
- (d) the minimum investment in the Fund is \$50,000; and
- (e) on request, the Company will furnish to the Client a copy of the organizational documents for the Fund.

7. The Client further hereby acknowledges a 1.0% redemption fee will be charged by the Fund on redemptions of units of the Fund held for less than one year. Redemptions fees will not be charged on units purchased through the automatic reinvestment of distributions made by the Fund or on the redemption of units to satisfy the management fee payable hereunder. In the event of partial redemption of units, units not liable for redemption fees will be considered to have been redeemed first.

**FEES**

8. The Company will charge the Client with a management fee in respect of the Managed Account. The management fee will be calculated quarterly in arrears, commencing with the first calendar quarter following the date of this Agreement. Fees will be calculated in accordance with the following schedule, based on the average value of the client's portfolio being managed pursuant to this Agreement during the period measured:

_____ Client	On the first: _____	Rate charged: _____
	On the next: _____	Rate charged: _____
_____ Manager	On the balance: _____	Rate charged: _____

Such fee shall not be duplicative of any similar fees payable to the Company by the Fund to the extent that the Managed Account or any portion thereof is invested in the Fund. Accordingly, in calculating the management fees owing under this section 8, the value of any units of the Fund held in the Managed Account will be excluded.

No increases to the management fees shall be made unless, prior to implementing any such increase, not less than 60 days' prior notice of the same is given to the Client by the Company.

Fees are subject to G.S.T. or H.S.T. when services are supplied to Canadian residents. The Company will provide the Client with an invoice for the management fee as they are calculated.

9. The Client acknowledges that the management fee is in addition to the usual brokerage commissions charged on any investment transaction.
10. Clients whose Managed Account is invested in the Fund may pay the management fee through the redemption of units in the Fund. Please initial below to authorize the Company to automatically redeem units in the Fund to pay such management fees:

\_\_\_\_\_ (initial here) The undersigned Client hereby authorizes the Company to pay the management fee through redemption of units of the the Fund. Such redemptions shall not be subject to redemption fees. No further instructions are required for such redemptions to be processed.

## **STATEMENTS**

The Company shall, during the term of this Agreement, mail to the Client, and where requested, to any third parties as directed by the Client, a statement of portfolio setting out all transactions which have occurred in respect of the Managed Account and containing a valuation of all securities and cash balances held in the Managed Account. Such statements will be mailed to Clients on a quarterly basis, or monthly if the Client so request. The Company shall also mail to Clients any other statements required under any applicable law.

I wish to receive account statements  monthly  quarterly.

## **INSTRUCTIONS FROM CLIENT**

12. The Client will advise the Company of any material change in the Client's circumstances or in any other matter which could affect the Company's management of the Managed Account hereunder and will advise the Company of any restrictions that may exist with respect to trading in securities by or for the Managed Account, including any issuers in which the Client or any director, officer or shareholder of the

Client is an "insider" under applicable securities law. The Client agrees that any registration or custodial arrangements will be made with the prior approval of and on terms satisfactory to the Company.

13. All instructions and other communications given to the Company shall be given in writing by the Client or on behalf of the Client by any third parties duly authorized by the Client from time to time. The Company is authorized to act upon such communications given without need for further verification of such instructions. However, the Company may, in its sole discretion, decline to act if it doubts the authenticity or lawfulness of any such instructions. The Client acknowledges that such instructions acted upon by the Company will, in the absence of a breach of the Standard of Care by the Company, be conclusively deemed to be valid and proper instructions, whether or not authorized by the Client or whether or not accurately transmitted.

For greater certainty, the Company shall not be liable in any way for not acting on any specific investment opportunity or opportunities on behalf of the Client. The Company shall not be liable in any circumstances for any indirect, consequential or special damages. The Client indemnifies the Company against any liability or claims (including any costs or expenses relating thereto) arising from any matter in respect of which the Company has acted in accordance with the Standard of Care in reliance on the Client's instructions or the instructions of any authorized third party.

  - (b) The Client is authorized to deliver such property to the custodian for safekeeping and to give instructions either personally or by authorized third parties in relation thereto;
  - (c) The Client has full power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby; and

## **SCHEDULE B**

### **Additional Risk Disclosure Regarding the Fund**

#### **No Assurance of Returns**

There can be no guarantee against losses resulting from an investment in Units and there can be no assurance that the Fund's investment approach will be successful or that its investment objectives will be attained. The Fund could realize substantial losses from some or all of its investments. An investment in the Fund is not intended as a complete investment program. A purchase of Units should be considered only by persons financially able to bear the risk of loss associated with an investment in the Fund.

#### **Fluctuations in Unit Values**

Unit values fluctuate with changes in the market value of the assets of the Fund, and the value of such securities owned will be affected by factors beyond the control of HIMI. The value of the Fund's Units may fluctuate as a result of various factors, including general economic and market conditions, changes in interest rates, changes in the financial condition or performance of the issuers in which the Fund invests, and currency fluctuations to the extent holds non-Canadian securities.

#### **Concentration of Investments**

The Fund's investment portfolio may become concentrated in a limited number of companies in specific industry sectors. Accordingly, the return of the Fund may be dependent upon the performance of a relatively small number of investments or the performance of a one or a few industry sectors. This may involve the Fund in more risk than funds with broadly diversified equity or bond portfolios since the performance of the specific stock, industry, market sector or asset class could significantly and adversely affect the overall performance of the Fund. In addition, this concentration means that the Fund is not intended to be, and would generally not be suitable as, a complete investment program for any investor.

#### **Reliance on Key Individual**

HIMI is relying upon the services of its President, James Hymas, to fulfil its obligations as the Fund's investment manager. Should Mr. Hymas become incapable of providing portfolio management services to the Fund for any reason, HIMI would seek to provide a replacement, or retain a sub-advisor, but if it was unable to do so it would need to take steps to terminate the Fund.

#### **Illiquidity of Units**

While the Units are transferable, Units are being offered on a private placement basis, and any such transfer will be subject to resale restrictions under applicable Canadian securities laws. Units are redeemable, but these redemption rights may be suspended in certain circumstances. Consequently, investors may be unable to liquidate their Units, and are therefore cautioned that an investment in Units will not be suitable for investors with a short

investment horizon. Furthermore, this lack of liquidity, plus the fact that Unit certificates are generally not issued, means that Units generally cannot be used by a Unitholder as collateral for any loan the Unitholder may have, whether undertaken in order to purchase Units or otherwise.

### **Effect of Substantial Redemptions of Units**

Substantial redemptions of Units may require the Fund to sell assets it would not otherwise sell and at less than optimal prices in order to raise the necessary cash to fund redemptions. This could generate additional capital gains which would need to be distributed to Unitholders. A smaller asset base could limit the investment opportunities available to the Fund and increase its management expense ratio. Such factors could adversely affect both the value of Units being redeemed and of the Units remaining outstanding.

### **Investment Outside Canada**

The Fund may invest its assets outside of Canada. If it does so, the value of its investments will be affected, among other things, by the value of the Canadian dollar relative to the value of the currency in which the foreign investment is denominated. If these foreign investments are made outside the United States, there may be less publicly available information about a foreign company than a Canadian or U.S. company; the company may be less regulated and have lower accounting, auditing or financial reporting standards; and volume and liquidity of the foreign markets in which the investment trades may be less and transaction costs higher than in Canada or the United States.

### **Exchange Rate Fluctuations**

Units of the Fund are issued and redeemed, and the Fund's net asset value is calculated, only in Canadian dollars. Unitholders resident outside Canada will bear all risks associated with fluctuations in the exchange rate between the Canadian dollar and their local currency.

### **Status of the Fund**

While units of a trust are equity securities similar to shares of a corporation, trusts are not governed by any corporate statutes. Therefore, unlike shares of a corporation, Unitholders will not have the statutory rights normally associated with ownership of shares, such as the right to bring "oppression" or "derivative" actions or the right to attend an annual meeting of shareholders of the corporation. The Fund is not a trust company and, accordingly, is not registered under the trust company legislation of any jurisdiction. While the Fund is a mutual fund as defined in provincial securities legislation, it does not operate in accordance with the requirements of Canadian securities regulations (such as National Instruments 81-101, 81-102 or 81-107) applicable to public mutual funds. Units are not "deposits" for the purposes of the *Canada Deposit Insurance Corporation Act* (Canada) and are not insured under the provisions of that Act or any other legislation.

## **Changes in Canadian Tax Legislation**

There can be no assurance that income tax laws relating to the treatment of mutual fund trusts or other investment trusts or in the treatment of preferred shares under the *Income Tax Act* (Canada) (the “Tax Act”) will not be changed in a manner which adversely affects the distributions received by the Unitholders and/or the value of the Units of the Fund. In particular, the returns to investors of an investment in Units of the Fund will be sensitive to any changes in the dividend tax credit and gross-up provided for in the Tax Act.

## **International Information Reporting**

Pursuant to the Canada-United States Enhanced Tax Information Exchange Agreement entered into between Canada and the United States on February 5, 2014 (the “IGA”) and related Canadian legislation in the Tax Act, the dealers through which Unitholders hold their Units are required to report certain information with respect to Unitholders who are U.S. residents and U.S. citizens (including U.S. citizens who are residents and/or citizens of Canada), and certain other “U.S. Persons”, as defined under the IGA (excluding trusts governed by registered retirement savings plans, registered retirement income funds, deferred profit sharing plans, registered disability savings plans, registered education savings plans and tax-free savings accounts), to the Canada Revenue Agency (“CRA”). The CRA is expected to provide the information to the U.S. Internal Revenue Service.

Canada will also implement the OECD Multilateral Competent Authority Agreement and Common Reporting Standard (“CRS”) which provides for the automatic exchange of certain tax information. The CRS will be effective in Canada as of July 1, 2017 with the first exchanges of financial account information beginning in 2018. Affected investors will be required to provide certain information including their tax identification numbers for the purpose of such information exchange.
